We want to hear from you! Community Safety and Well-Being Partnership Plan

The Town of Ajax is developing a Community Safety and Well-Being (CSWB) Partnership Plan. The plan sets out local priorities and actions to help residents feel safe and supported and aligns with the Durham Region CSWB Plan (2025–2029) and its priority areas.

Complete the Community Safety and Well-Being Plan Survey

A public survey is open to gather residents' views on safety, well-being and local priorities. **Survey deadline: Tuesday, August 25, 2026.**

This work is being carried out in coordination with Durham Region, Durham Regional Police Service and local community organizations and service providers.
